# Manitowoc-Two Rivers YMCA Youth in Government 2022-2023

## Tiered Pricing & Financial Assistance

We understand that our Y families have differing abilities to pay, so we offer tiered pricing and financial assistance to help make it possible for any youth to experience the Youth in Government program. **We do not want finances to keep a youth from the opportunity to experience being a part of the next generation of thoughtful, committed and active citizens.** Please do not hesitate to contact us for more information of financial assistance.

### Tiered Pricing

This pricing option is **available to anyone**. We offer three pricing levels to better accommodate all financial needs. Please consider selecting the highest tier that your family can afford to allow the YMCA to utilize this funding to ensure the quality of each participant's experience. The **price you select does not impact your experience in any way**.

- **Tier A:** Most accurately reflects the true and actual cost of the program. (local and state program fees) \$375.00
- **Tier B:** A partially subsidized rate, but more closely reflects the state program fees associated with the program. \$250.00
- **Tier C:** This rate is subsidized by the YMCA through fundraising, special events, and contributions. \$125.00

**Pricing includes:** Pre-Gov, Mock Model Gov, Model Gov 3 day event, transportation to and from Madison via coach bus, 2 night hotel stay at Park Plaza Hotel, rental fees of state capital rooms and hotel ball rooms, session book, entertainment, Governors ball dinner and memories to last a lifetime.

**Price does not include:** delegation t-shirt or meals in Madison.
